Obituary

Harry Charles Franz passed away peacefully at home on October 9th, 2026, leaving behind a legacy of dedication, warmth, and quiet strength.

Born on November 30, 1943, to Harry J. and Erna Franz, Harry was raised in Pittsburgh, Pennsylvania, where he graduated from South Hills High School. Following his education in 1962, he began a long and distinguished career with the Federal Bureau of Investigation, serving his country faithfully until his retirement in 2000.
Early in his career, Harry met and married the love of his life, Mary. Together for 63 years, they built a beautiful life and a deep partnership that anchored everything he did.

In retirement, Harry filled his days with the things and people he loved most. He enjoyed traveling and embarked on many adventures. A talented craftsman, he loved woodworking and took great pride in his gardening. He cherished his regular lunches with former FBI colleagues and looked forward to his early morning coffee routine with his regular group. Harry and Mary shared countless happy moments attending baseball games, where his friendly spirit helped him make many new friends. He also treasured his visits to the Gulf Coast, where he loved watching the sunset.

Harry was preceded in death by his parents, Harry J. and Erna Franz, and his beloved son, Harry Brian Franz. He is survived by his devoted wife, Mary; his son, Craig, and wife, Jocelyn, who lovingly cared for him in his final days; as well as many family members, friends, and former colleagues who will miss him dearly.

In lieu of flowers, if you wish to make a gift in Harry's memory, donations may be made to the Former Agents of the FBI Foundation or Erin Presbyterian Church.

Finally, brothers and sisters, whatever is true, whatever is noble, whatever is right, whatever is pure, whatever is lovely, whatever is admirable—if anything is excellent or praiseworthy—think about such things.
